

**POLICY: Restrictions on Sale of Foods**

**CODE: EFDA**

Any food or beverage sold during the normal day on school property of a school participating in the National School Lunch and Breakfast Programs shall be a planned part of the total food service program of the district and shall include only those items which contribute both to the nutritional needs of the students and the development of desirable food habits. Funds from the sale of food and beverages provided to the schools through the Culinary Arts Program of the Tri-County Technical Center shall accrue to the benefit of that program. Funds from all other food and beverages sales during the normal school day on school property shall accrue to the benefit of the District's non-profit school food service program unless the Superintendent or designee gives a school or approved student organization permission to sell other foods and beverages and benefit from the sale of such foods and beverages.
