School Photos

School photos will be taken on Monday, October 1st in the morning. Please fill out the envelopes that were sent home on Thursday and return them to school on Monday. Every child will have a photo taken for the class composite. We have Phys. Ed. Monday afternoons so you may want to send in a change of clothes for your child.

Early Release Day

October 5th will be our first Early Release Day. Garland students will be dismissed at 12:10. You should expect your child home approximately 2-1/2 hours earlier than normal.

Field Trip

We will visit the Penobscot Marine Museum in Searsport on Thursday, October 18th. This program is free to school children. At the Museum there's a lot to discover about Maine, its coastal waterways, maritime life, and much more. The programs are aligned with the Maine State Learning Results for maximum benefit to the students. Students will need to sign up for a school bag lunch or bring one from home for the trip. More information will be forthcoming.

Wax Museum

See letter on back.

Lunch Slips

We have a new lunch person, Mary Annett, in our kitchen. If your child takes school lunch, breakfast or milk, please fill out one of the attached forms and return it to school with your child on Monday, October 1, 2007 with the correct amount of money. Please use this form every week from now on. We will send new forms home every month. Please be patient with us as we try to find a system to simplify the process. Thank you for your cooperation during this transition.
