

EXETER SCHOOL PASTA DRIVE

The Exeter School staff and students will be holding a Pasta Drive from Wednesday, December 3rd through Wednesday, December 17th. The pasta will be donated to the Corinth Food Pantry which serves the families of both Garland and Exeter.

Our goal is to collect in pounds of pasta, 3 times the number of students that we have.

Our enrollment is at 65 students. That means we will try to collect 195 pounds of pasta!!! All types of pasta are welcomed, for example: macaroni, spaghetti, ziti, shells, etc.

Really, anything from the pasta family will count!

We are doing this with the spirit of giving in this Holiday Season.

Boxes will be set up outside each classroom to collect the pasta.
We will let you know how close we come to our goal.

Thank you!
